

# Troy High School Orchestras

## 2017-2018 Parent Volunteer Contract

Our students need your help. It is expected that all parents offer assistance to the orchestra program so that we do not have to pass additional fees to parents.

***Please check at least three areas in which you are available to help.***

Checking off a line indicates you are interested in helping in that area. You will be contacted by a committee chair to determine exact dates and duties and how you can help our orchestras be the best they can be!!

Please indicate choices below by entering an **M** for Mom, a **D** for Dad or a **B** for both:
